

### CORRIGENDUM

**Ising model on the union jack lattice as a free fermion model**  
Wu F Y and Lin K Y 1987 *J. Phys. A: Math. Gen.* 20 5737-40

Equation (1)

$$Z_I = \sum_{\sigma} \left( \sum_{(ij)} K_r \sigma_i \sigma_j \right)$$

is in error. It should be

$$Z_I = \sum_{\sigma} \exp \left( \sum_{(ij)} K_r \sigma_i \sigma_j \right).$$
